Convention Scoring:

3 points per angler for attending a convention.

Each convention has 6 categories (nominated by the hosting club) that are used in the calculation of ACC points in the ratio 5/4/3/2/1 for places 1st to 5th in each category.

To ensure consistency if there is any tie for a place, the points for both positions will be added and divided and allocated evenly.

A total of 90 points will be available per convention.

Eligibility – Anglers must participate in a minimum of three (3) conventions to be eligible for point score in the final totals at the end of the angling year.
